

Arivia S.A., owner of the brand Violife, member of Upfield, is the world's leading vegan cheese company and a leading proprietor of plant-based dairy and dairy-free products, exporting in 60+ countries worldwide.

Do you wish to be part of a fast-growing company? Do you share our deep belief that plant-based nutrition is the future? Do you potentially see this vacancy as an opportunity to develop your career within a global leading organization?

In **Arivia S.A.**, based in Thessaloniki, we are looking for a **Export Logistics Intern for an Internship** for 2 or more months.

We are looking for a university student of Accounting, Engineering, Business Management, Economics, Finance or a related field of study.

Key responsibilities:

- Processing and submitting invoices from logistics suppliers
- Requesting and consolidating monthly ocean rates from logistics suppliers
- Keeping track of timely loading and arrival of containers
- Monthly consolidation of global shipments costs and arrival timings (excel file)
- Sustainability and CO2 emissions
- Support to HS Customs classification database across export destinations

Are you fluent in English? Are you familiar with the use of MS-Office & PowerPoint? Do you have high expectations for your career and are looking for the right opportunities? Do you have a team spirit, strong communication skills and problem solving ability?

Key areas of work and opportunities:

- Logistics, with focus on exports and global supply
- Procurement, with focus on third party logistics
- Customs, with focus on product tariff and customs classification
- Sustainability, with focus on transportation and CO2 emissions

If you want to make an impact where it matters, apply now!

Your information remains confidential and is used exclusively by our company. Your CV will be kept in our database for one (1) year in case of future use for the same or another position in our company.
